

## John of God Healing Instructions

Casa Dom Inacio de Loyola Healing Requests and Options (Medium, *Joao de Deus*)

Thank you for contacting us to help facilitate your healing with John of God. Whatever way you choose to ask for healing, know that the Entities will be working from the time you ask for help. John of God (Joao de Deus) does not do this healing himself. It is God's Energy flowing through the Entities, through Medium Joao, that does this sacred healing work. Healing occurs on many levels simultaneously. [Watch a 3 Part Documentary about John of God on the Pray Attention Ministries' "Watch" page here ...](#)
